Big Mama's Door

Goin' down in Chickasaw, gon' take that right hand
road

Goin' down in Chickasaw, gon' take that right hand
road

Bet I ain't gon' stop till I come up in big mama's door

Folks down in Chickasaw they all know my name

Folks down in Chickasaw they all know my name

And when I'm down there, man, sure be glad I came

Girl that I'm lovin' got the great long curly hair

Girl that I'm lovin' got the great long curly hair

But her mama and papa, man, they sure don't 'low me
there

What you gonna do when you find your

biscuit roller

gone?

What you gonna do when you find your biscuit roller
gone? (Man, what about it?)

Get in that kitchen, man, and roll 'em till she come
home

Get up in the mood, man, we sure had lots of fun

Get up in the mood, man, we sure had lots of fun

When I come round that corner, gonna see my pony
run

Goin' down in Chickasaw, gon' take that right hand
road

Goin' down in Chickasaw, gon' take that right hand
road. (Goin' back to the wood!)

Bet I ain't gon' stop till I come up in big mama's door
