Intro:

I'm just alone here,  
Waiting to see the stars  
I'm just alone here  
Watching the planets, my neighbors  
I'm just making the people to see  
Because of my moonlight  
If they want to take my lights off then  
Lets do it, babe

Verse (1):

Yes, you can blame me  
Yes, you can wish to me (but I won't make it)  
Yes, you can shout to me  
But I can do  
Everything I want

Chorus:

I can make my body half  
I can make my face, quarter  
I can make my skin dark  
I can turn around the world  
I can make my figures big  
Yes, I can do it  
Yes, I can  
Yes, I can do it...  
Yes, Yes, Yes

I can make my body Half  
I can make my figure short  
Yes, you can wish to me (but I won't do it)  
I am here floating everynight  
Can't move when gravity is right

Verse:

Sometimes, I goes down to earth  
Because I know gravity is always right

He wants to float me  
He wants to make people see me  
But the problem is  
I won't let him to win

Yes, you can blame me  
Yes, you can wish to me (but I won't make it)  
Yes, you can shout to me  
But I can do  
Everything I want

(Back to Chorus)

Bridge:

Da Da Da Da Da Da  
I can say OUCH  
Da Da Da Da Da Da  
I can say EW  
I'm a Moon  
I'm a Moon  
I'm a hot Moon  
No, I'm Beautiful  
No, I'm so awesome  
No, I'm the only one who cares  
But to those who hates the sun!  
(Oh I mean people)

Yes, you can blame me  
Yes, you can wish to me (but I won't make it)  
Yes, you can shout to me  
But I can do  
Everything I want
