(Larry Cordle/Larry Shell)

Blue, I was beginning to think I'd always be  
Blue, skies never seemed to follow me  
True, love I never thought I'd find  
Blue, was in these eyes of mine

You came along just as I was fallin'  
Then I found myself fallin' in love with you  
I can't remember back then  
To the time when I was lonely  
Oh thanks to you I'm no longer blue

New, that's how I'm feelin' like I'm your special one

Two, hearts learning to love we've just begun  
I'm through, with the past that's all behind me now  
Blue, not this time around

You came along just as I was fallin'  
Then I found myself fallin' in love with you  
I can't remember back then  
To the time when I was lonely  
Oh thanks to you I'm no longer blue

Oh thanks to you I'm no longer blue
