(Dennis Adkins)

I don't guess I've ever been in love before
I know that this is my first time
I don't guess I knew what I was thinkin'
But I know that I want to make you mine

So if you'll promise me forever
Our love to have and to hold
Promise we'll always ride together
Down love's rocky road

I want the first to last
Always together
A lifetime full of love is all I ask
I want the fire to burn
Forever and ever
I just wanna be sure
Cause I want the first to last

Well it won't take that much to please me
You give your heart and I'll give mine
Darlin' let's take it nice and easy

And we'll be around a long, long time

I want the first to last
Always together
A lifetime full of love is all I ask
I want the fire to burn
Forever and ever
I just wanna be sure
Cause I want the first to last

I know you're that special one
I feel like my life has just begun
So baby take my hand
And our love will never end

I want the first to last
Always together
A lifetime full of love is all I ask

I want the fire to burn
Forever and ever
I just wanna be sure
Cause I want the first to last

I just wanna be sure
Cause I want the first to last
