(K.T. Oslin)

I'm moving out
Me and my best friend Louise got it all figured out
She's got the car and I've got the stereo
I'm saving my dollars that used to be dimes
Getting ready, ready for the time
That this girl's gonna move out

I can tell by the look on my daddy's face, he don't like it
He thinks I'm gonna throw wild parties every night and
start drinking
That's what he's thinking
But Daddy ease your mind, you raised your girl fine
There ain't gonna be no problem at all
But would you do me a favor - before you come over,
call

I'm moving out
Me and my best friend Louise got it all figured out
She's got the car and I've got the stereo

I'm saving my dollars that used to be dimes
Getting ready, ready for the time
That this girl's gonna move out

I can't wait, no I just can't wait
All I know is that it's gonna be great and all my friends
think we're so cool
Monday morning we're signing the lease
Wednesday we're getting our phone
Friday night we're throwing a party going all night long

I'm moving out
Me and my best friend Louise got it all figured out
She's got the car and I've got the stereo
I'm saving my dollars that used to be dimes
Getting ready, ready for the time
That this girl's gonna move out

Oh I'm gonna move out, oh yeah
