You may search, at any cost
But how long can you
Search for what's not lost?
Everybody will help you
Some people are very kind
But if I can save you any time

Come on, give it to me
I'll keep it with mine

I can't help it, if you might think I'm odd
If I say I'm loving you,
Not for what you are, but for what you're not
Everybody will help you
Discover what you set out to find
But if I can save you any time
Come on, give it to me
I'll keep it with mine

The train leaves at half past ten
But I'll be back to-morrow
At the same time again
The conductor, he's weary
He's still stuck on the line
But if I can save you any time

Come on, give it to me
I'll keep it with mine
