Hearts that are broken
A love that's untrue
These go with learning the game

When you love him
And he doesn't love you
You're only learning the game

When he says that
You're the only one he'll ever love
Then you find that
You are not the one he's thinking of

Feeling so sad
And you're all alone and blue
You're only learning the game

When he says that
You're the only one, he'll ever love
Then you find that
You are not the one, he's thinking of

Feeling so sad
And you're all alone and blue
That's when you're learning the game
That's when you're learning the game
