Make me a pallet on your floor
Make me a pallet on your floor
Make it soft, make it low, so your woman don't know
Make me a pallet on your floor.

Come all you good time friends of mine,
Come all you good time friends of mine.
When I had ten dollars, you treated me so fine
Where were you when I only had a dime.

Come on and make me a pallet on your floor
Make me a pallet on your floor
Make it soft, make it low, so your woman don't know
Make me a pallet on your floor.

I'll be more than satisfied,
If I could catch one train to ride
But if I reach atlanta with no place to go,
Please make me a pallet on your floor
Make me a pallet on your floor
Make me a pallet on your floor
Make it soft, make it low, so your woman don't know
Make me a pallet on your floor.

I'm gonna make you a red-hot meal
Gonna make you a red-hot meal
To show you I appreciate all that you have done
When you make me a pallet on your floor.

Come on and make me a pallet on your floor
Make me a pallet on your floor
Make it soft, make it low, so your woman don't know
Make me a pallet on your floor.
