Well, that big dumb blonde with gorgeous george
And turtle, a friend of theirs, with his cheques all
forged
And his cheeks in a chunk with a cheese in the cash
They're all gonna be there at that million dollar bash,
and it's

Chorus

Ooh baby, ooh-ee

Ooh baby, ooh-ee

It's that million dollar bash

Everybody from right now go over there and back

The louder they come, well, the bigger they crack

Come now, sweet cream, and don't forget the flash

We're all gonna meet at that million dollar bash

(chorus)

Well, I took my counsellor out to the barn

Silly nelly was there, she told him a yarn

Then along came jones and emptied the trash

Everybody went down to that million dollar bash

(chorus)

Well, I been hittin' it too hard, you know, my stones
won't take

I get up in the morning, bit too early to wake

First it's "hello" and "goodbye", and then push and
then crash

But everybody's gonna make it to that million dollar
bash

(chorus)

Well, I looked at my watch, then I looked at my wrists

Punched myself in my face with my fists

And I took my taters back a-home to be mashed

But then I made it right on to that million dollar bash

(chorus)
