I heard you cry, I saw you last night
Something really heavy playing on your mind
If you wanna talk, IÂ´m here for you

YouÂ´re fellinÂ´ down, you wanna give in
FellinÂ´ like you havenÂ´t got the strenght to win
Just turn around, IÂ´ll be there for you

It doesnÂ´t matter if the leaves starts to fall
Or even if the sun never shines at all
Rainy days go on and on
All the lonely nights are too long

From January to December
When the spring turns to winter
Every minute, every hour
Anytime just remember

Chorus:

I will lift you up Â– when the seas get rough
Higher than the darkest clouds
WeÂ´ll reach the blue skies up above
We can fly away - Â´till we find a brighter day
Anytime you fell alone and love has let you down
IÂ´ll lift you up

You couldnÂ´t see the journeys end
CanÂ´t get off the road leading you nowhere
Just turn around Â– IÂ´ll hold your hand

You take a chance, you pay the price
It doesnÂ´t mean to say youÂ´ll always get it right
When tomorrow comes, just try again

It doesnÂ´t matter if the leaves starts to fall
Or even if the sun never shines at all
Rainy days go on and on
All the lonely nights are too long

From January to December
When the spring turns to winter
Every minute, every hour

Anytime just remember

Chorus
