I've kissed the moon a million times
Danced with angels in the sky
I've seen snowfall in the summertime
Felt the healing of the powers above
I've seen the world from the highest mountain
Tasted love from the purest fountain
I've seen lips that spark desire
Felt the butterflies a hundred times
I've even seen miracles
I've felt the pain disappear
But still haven't seen anything
That amazes me quite like you do
You bring me up when I'm' feeling down
You touch me deep you touch me right
You do the things I've never done
You make me wicked you make me wild
Cause baby, you're my number 1
Naveguei ventos de emoÃ§Ãµes
Eu vi a lua se entregar ao mar
Troquei mistÃ©rios no amanhecer
Entre os anjos e vocÃª

Jãí vi tudo acontecer

Milagres tornados reais

Mas nunca eu vi nada assim

Quando os teus olhos olham pra mim

You bring me up when I'm' feeling down

You touch me deep you touch me right

You do the things I've never done

You make me wicked you make me wild

'Cause baby, you're my number one

2X

You bring me up when I'm' feeling down

You touch me deep you touch me right

You do the things I've never done

You make me wicked you make me wild

'Cause baby, you're my number one
