Someone told me, to live is to die
I never thought it would come to this

Ahhhhhhhhhhhh!

Like I told you, I did it for you
How could you change your mind?
You're liar

(Save me! I'm calling you! You took my life!)

This is a dirty town, indulging faceless
I think I saw you pass me by

(Save me! I'm calling you, you dug your hole, for my
pride!)

Remember me as I drift away
Convert with the voices far away
Remember me as I walk away
(To live is to die)

Remember me as I drift away
Convert with the voices far away
Remember me as I walk away

Murder!
Lies!
Corruption my life!

My eternal, do you remember?
Can you still hear my voice? From my pride!

(Save me! I, m calling you! You took my life, again!)

It's gonna come around, I'm back to hunt you
Don't think I'll pass you by, No lies!

(Save me! I'm calling you! Your turning me off!)

Remember me as I drift away

Convert with the voices far away
Remember me as I walk away
[X2]

Murder!
Lies!
Corruption my life!

(Naaaaah)
Lies!
Corruption my life!
