Burn... Burn... BURN! BURN!

I am falling deeper,  
And deeper into my mind  
I do feel a fire,  
Inside me so strong this time

Feels like I'm going to change just inside  
(Feel a fire, Inside me so strong this time, burn)  
Feels like I'm going to change just inside  
(Falling deeper and deeper into my mind)

BURN!  
There's a fire deep inside of me (BURN! )  
I am burning for eternity (BURN! )  
There's a fire deep inside of me (BURN! )  
I am burning for eternity

I am falling deeper,  
And deeper into my soul  
Dare you, take me away from this place  
I'm so cold

Feels like I'm going to change just inside  
(Feel a fire, Inside me so strong this time, burn)  
Feels like I'm going to change just inside  
(Falling deeper and deeper into my mind)

BURN!  
There's a fire deep inside of me (BURN! )  
I am burning for eternity (BURN! )  
There's a fire deep inside of me (BURN! )  
I am burning for eternity

(BURN! ) I am, I do (BURN! )  
(BURN! ) I am, I do (BURN! )

Feels like I'm going to change just inside

BURN!  
There's a fire deep inside of me (BURN! )

I am burning for eternity (BURN! )  
There's a fire deep inside of me (BURN! )  
I am burning for eternity

Feels like I'm going to change just inside  
There's a fire deep inside of me!  
Feels like I'm going to change just inside  
I am burning for eternity!
