To late when the day turns into night
Left out of the place that fills with light
Goodbye now I leave you all behind
I know this was always ment for me

I can't be, so long, DENIED!
Why don't you listen to me
So strong, so proud
You can not stop ME!
So strong, so loud
This is the end of today
You wrong, I'm right
Noone can stop us NOW!

Denied!
Deep inside
I gonna leave
My world behind
I give him tonight
Deep inside
I touch my fear
I can't remain
I'll be here tonight

To late, I'm in holding out so long
I'm moving forward in my head
Goodbye, now I leave it all behind
I know this was always ment to me

I can't be, so long, DENIED!
Why don't you listen to me
So strong, so proud
You can not stop ME!
So strong, so loud
This is the end of today
You wrong, I'm right
Noone can stop us NOW!

Denied!
Deep inside
I gonna leave

My world behind
I give him tonight
Deep inside
I touch my fear
I can't remain
I'll be here tonight

(Guitar solo)

Denied!
Deep inside
I gonna leave
My world behind
I give him tonight
Deep inside
I touch my fear
I can't remain
I'll be here tonight
