WEAK!

I am crawling on my knees  
I am tired of begging please  
I am falling down the stairs  
(WAKE UP YOU'RE WEAK! )  
In my head I went erased  
But my life has gone to waste  
I am falling on my face  
(YOU'RE WEAK, YOU'RE WEAK! )  
(forever)

Watch me turn this around  
Take the pain from my life  
Walk the distance from fear  
Forever
