Come to my side

Come to my side

Come to my side

I keep my word in silence  
You gotta peace' off  
I never find myself in this situation  
The beauty that surrounds me  
The lights are shining off  
I never saw myself in this place

You know I'm trying  
I'm Trying to get over  
Just be right here when it's all over  
Don't make me waiting  
Waiting to decide  
Will you be here when it's all over?

Come to my side (COME TO MY SIDE! )  
I just can't be here all alone  
I'll pray tonight (I'LL PRAY TONIGHT! )  
I just can't let this anymore

All have been some pieces  
You pick them all up  
You come and make me  
WHOLE AGAIN!

You know I'm trying  
I'm Trying to get over  
Just be right here when it's all over  
Don't leave me waiting  
Waiting to decide  
Will you be here when it's all over?

Come to my side (COME TO MY SIDE! )  
I just can't be here all alone  
I'll break tonight (I'LL BREAK TONIGHT! )  
I just can't let this anymore

COME-TO-MY-SIDE!  
COME-TO-MY-SIDE!

Come to my side  
I just can't be here all alone  
I'll pray tonight (I'll pray tonight)

Come to my side (COME TO MY SIDE! )  
I just can't be here all alone  
I'll break tonight (I'LL BREAK TONIGHT! )  
I just can't leave this anymore (Come to my side)  
I just can't be here all alone  
I'll break tonight  
I just can't leave this anymore
