Damn right they got it, damn right they got it [x4]

I say lame niggas be quiet, lame niggas be quiet,
Lame niggas be quiet You in the presence
I say lame niggas be quiet, lame niggas be quiet,
Lame niggas be quiet You in the real presence

I eat your girl up for breakfast, won't save you no
extras
Say she fucking with me cause a real nigga is her
preference
Drinking like I'm from Texas, and you know I stay flexin
And if you don't know I go by tity two necklace

Damn right I got it, damn right I'm bout it
Click full of killers, please don't get us excited
Yea I'm smoking loud so lame niggas be quiet
If you fuck with us, we gonna start up a riot

I'm a start a riot, I'm a start a riot [x4]

I ain stunnin dese niggas, I ain stunnin dese bitches
2 cigar rellos, look like extension
Yeah I'm from the south side, her mouth wide

My pack loud, My gat loud I back out, And click clack
pow pow
Court dates Still Trial, My rep is a reptile
Now later, alligators, I step ona work like a step child
Pimp up, hoes down, make your girl pull her clothes
down
Her hair down and I'm down
Her phone off so don't dial
Dis right here is dat no style, I don't know how I do the
shit
I'm true to this
True religion, they takin swag with no permission
All year it's Gucci season, Gs on my belt buckle
Cocaine on my left knuckle, Kill your barrel wats left of
you

Damn right I got it, damn right I'm bout it
Click full of killers, please don't get us excited
Yea I'm smokin loud so lame niggas be quiet
If you fuck with us, we gonna start up a riot

I'm a start a riot, I'm a start a riot [x4]
