It's not you, she says
It's just that life's so hard
We all get through, I say
Hang on tight, I'll be your bodyguard

Something's breakin' my baby's heart
Something's breakin' my baby's heart
Something's breakin' my baby's heart
Oh, oh, just wanna see her smile

It's such a drag, she says
When the world's so mean
It's just a red flag, I say
Gotta look for the green

Oh, oh, oh, something's breakin' my baby's heart
Something's breakin' my baby's heart
Something's breakin' my baby's heart
Oh, oh, I just wanna see her smile

Cynical town can be tough on an angel
Clip her wings, baby, one, two, three
I'm her clown 'cause I laugh at angels richer than kings
Oh, baby, don't you see? Baby, don't you agree?

Wish, I knew why, she says
But on a sunny day, I find the rain
Let's give it a try, I say
We can dance all through the pain

Something's breakin' my baby's heart
(Ooh, is this real love?)
Something's breakin' my baby's heart
(Is this real? Is this real love?)
Something's breakin' my baby's heart
Oh oh, oh oh, oh oh, oh, ooh, oh oh

I just wanna see her smile
Just wanna see her smile
Just wanna see her smile
I just wanna see her, just wanna see her smile
