Can I speak my mind  
Something spoken to you  
Can I run from the time  
Broken lives escape

Once you cross the line  
There's no turning back  
I can show you the way  
I will kill my past

I am trying to (I am TRYING TO)  
Getting closer you (GETTING CLOSER YOU)  
You are drifting away from me  
Once I loved for you (ONCE I LOVED FOR YOU)  
I been needing to (I BEEN NEEDING TO)  
For I'm not getting tought to you

Cause you are  
The only sun in me  
And I will  
Find what I've done

(Gotta get you back)  
(I can see right trough you)  
(Until my eyes are closed)  
(And I shot you out)  
[X2 times]

Can I speak my mind  
Something spoken to you  
I can show you the way  
I will kill my past

I am trying to (I am TRYING TO)  
Getting closer you (GETTING CLOSER YOU)  
You are drifting away from me  
Once I loved for you (ONCE I LOVED FOR YOU)  
I been needing to (I BEEN NEEDING TO)  
For I'm not getting tought to you

Cause you are

The only sun in me  
And I will  
Find what I've done

Gotta get to you!  
I gonna bring you back to me!  
[X8 times]

Cause you are  
The only sun in me  
And I will  
Find what I've done

(Gonna get you back)  
(I can see right trough you)  
(Until my eyes are closed)  
(And I shut you out)  
[X2 times]
