Ùž you challenge the yearning by kisses..

That blister me with a knout of fire

With whisperingâ€¦with Ahesâ€¦with ogles

With sideglances â€¦.with horrible silence

Ù`my heart burns

I loose the road

And the doubts come out of my head ..blaming

Tugging my ears

cause I blessed all your lies

I cursed my doubts

Do not be afraid of me

You saved me from the false of my dreams

And betraying of my feelings

ÙŽ be as you want to be

But you will not be

Cause I made you from my love and my madness

And I am cured from love and from madness.
