I'm walking away from these shadows
I will never come back
That dark age of my past
Destroyed my path
Now will I be the same again?
Or will I fall? There's nothing left

Will I succeed?
Will I be free?

To erase the demons of our, of my past
I need to cross
The waters of regret
Black shadows were cast in my path
But will i turn this curse back?

Pray for me, the broken
No one could fix me
Pray for me, the broken
The anti hero of this breed

Now I'm getting away
Away from this sorrow
Forget regret today
There is always a tomorrow

How many times did I want,
Wanted to leave?
How many breaths that I took
And still couldn't reach
No matter all the I've cried
I will always try
And I will never fail
I will never die
I will never ask why
I will always try

Will I succeed?
Will I be free?
Before all these demons take the best of me

Now im getting away
Away from this sorrow
Forget regret today
There is always a tomorrow
