I won't cry
(I won't cry)
Even if I need to,
I can't replace you with tears.
I couldn't run
(I couldn't run)
Even if i wanted to,
I wouldn't know where to go!

This hole in my chest, I never thought my scars would hurt.
I bleed, I cry alone. I never knew what it's about.
Dark nighths i've seen but dark days i've never been in.
All Alone!

Break my chains
(Break my chains),
Make me hate myself
For not regretting again
Speed up,
(Speed up),
Take it to the limits,
Stretch the boundaries of god.

This hole in my chest, I never thought my scars would hurt.
I bleed out, I cry alone. I never knew what it's about.
Dark nighths I've seen but dark days I've never been in.
All alone!

Dead men I've seen but dead men I've never touched.
Never carried!
Never kissed!
Never hugged!
Never wept!
Never buried!

I found myself, I found myself with you.
I found myself, I found myself on you.

Every hair,

Every skin and bone.
Every look,
The same old, cold expression.
Different thoughts, but all the same assize.
All those words, we never say each other.

I'm not you.
