(transliterated and Translated version to english.)

Saharni w ghalghal fiyi, saharni
Keep me up all night and spoil me, keep me awake.
Ijeni bil heniye w ghayarni
You have come with happiness and changed me
3emele tane w rane
You made me something different
W akhad 3a'lati menni
And you have taken my family from me
W hayda yally mjannani... saharni
And this is what is what will make me crazy, keep me
awake.

3ala'ny kif ma baaref kif
You have hooked me, and I don't know how
Ma fi ghayrou byoukhtour 3a bali
There is no other that fills my mind.
Khallani bi hal ma ba3da hal
You have kept me this way and I am still this way.
Rayeh jayeh ehcki maa hali
I go and return speaking to myself.

Jabli el amar la 3endi
You brought me the moon
W ghaffa el nejmi 3endi
And the stars also
W aayachni hilm el wardi... saharni
And thirsted me from the rose, keep me awake.

Khatafli el rouh, wen badi rouh?
You've taken my spirit, where can I go?
Ghayar 3a'li w albi bnazrat 3ayn
You have changed my heart in a split second.
W kel el ahlam w kel el gharam
And all the love and romance
We3you fiyi w kebrou biyawmen
They have grown in the matter of two days
W awal ma abaltou ma hkitou wlw sa'altou
And when I first met him I didn't speak to him or ask
him.

3ech -ani hayda el eltou ,saharni.
What is it that you said? , keep me awake.
