You've been acting little tough lately
Smoking a lot of cigarettes lately
But inside, you're just a little baby
Oh
It's okay to say you got a weak spot
You don't always have to be on top
Better to be hated than to love, love, love for what
you're not
You're vulnerable
You're vulnerable
Oh
You are not a robot
You're loveable
So loveable
Oh
But you're just troubled
Guess what, I'm not a robot, a robot
Guess what, I'm not a robot, a robot
You've been hanging with the un-loved kids
Which you never really like and you never wanted
But you are so magnetic
You pick up all the pins
Never complaining to anything
You don't pick up the phone when it rings, rings, rings
Don't be so pathetic
Just open up and sing
You're vulnerable
You're vulnerable
Oh
I am not a robot
You're loveable
So loveable
Oh
But you're just troubled
Guess what, I'm not a robot, a robot
Guess what, I'm not a robot, a robot
Can you teach me how to feel, real
Can you turn my power on
And let the drum beat drop
Guess what, I'm not a robot
Guess what, I'm not a robot

Guess what, I'm not a robot, a robot
Guess what, I'm not a robot, a robot
