This could be our last goodnight together  
We may never pass this way again  
Just let me enjoy 'till it's over  
Or forever  
Please don't tell me how the story ends

See the way our shadows come together  
Softer than your fingers on my skin  
Someday this may be all  
That we'll remember

Of each other  
Please don't tell me how the story ends

Never's just the echo of forever  
Lonesome as the love that might have been  
Just let me go on loving and believing  
'Till it's over  
Please don't tell me how the story ends

Please don't tell me how the story ends
