Oh yeah,

You and I, will be together at the club, that's right  
And don't you know,  
that I will glad you take you anyway you want to go,  
You and me, we are as close as true harmony, ..agree  
And give a chance, all the romance ,in me.

Chorus:

.. people said that I am infatuated with you,  
I don't care cuz they really don't know,  
They'll never see ..the things I do with you,  
So, I can't .. to ,

Oooooooooohh

You and I, will be together till the 6 this night, that's  
right,  
And when you'll need me, I never hesitate this always  
..is so much fun  
You and I, , that hurt itself,  
And give the chance, that there's ... you and I.

Chorus:

.. people said that I am infatuated with you,  
I don't care cuz they really don't know,  
They'll never see ..the things I do with you,  
So, I can't .. to ,

Oooooo, ooooo, ooooo  
Ooooo, ohh, oohh.

You and I.
