Becca: It's never to late
It's never to early
It's never that wrong to say you want it

Kelsey: If it's never to late
And it's never too early
Then how come I never get a chance?

YEAH!

Both: So come and tell me that I'm right

Becca: Maybe it's now

(Repeat) Kelsey: Maybe it's there

Becca: Maybe it's coming close

Kelsey: Maybe it's here

Becca: Maybe it's just that you can't see
The part of me you're looking for
Maybe it's now
I have always always always wanted to get a chance
But I never ever ever get a time

Kelsey: If you always always always wanted to get a
chance
Then all you got to do is try

Becca: Maybe it's now

Kelsey: Maybe its now

Becca: Maybe it's coming close

Kelsey: Maybe it's here

Becca: Maybe it's just that you can't see
The part of me you're looking for
Maybe it's now

Echo Kelsey: Maybe it's now

Both: MAYBE IT'S NOW
