"Gravity"

Something always brings me back to you.
It never takes too long.
No matter what I say or do, I still feel you here 'till the
moment I'm gone.

You hold me without touch.
You keep me without chains.
I never wanted anything so much than to drown in your
love and not feel your reign.

CHORUS

Set me free, leave me be. I don't want to fall another
moment into your gravity.
Here I am and I stand so tall, just the way I'm supposed
to be.
But you're on to me and all over me.

You loved me 'cause I'm fragile.
When I thought that I was strong.
But you touch me for a little while and all my fragile
strength is gone.

CHORUS

Set me free, leave me be. I don't want to fall another
moment into your gravity.
Here I am and I stand so tall, just the way I'm supposed
to be.
But you're on to me and all over me.

I live here on my knees as I
Try to make you see that you're
Everything I think I need here on the ground.
But you're neither friend nor foe though I
Can't seem to let you go.
The one thing that I still know is that you're keeping me
down
You're keeping me down, yeah, yeah, yeah
You're onto me, onto me and all over

Something always brings me back to you
It never takes too long
