I don't know why you won't accept it's not there  
The love we had you just threw it into thin air  
I think it's time that I should leave  
I'll pack my bags so I'll be free  
Now I realise in my heart we should be apart

I can get by alone  
Won't go to pieces on my own  
I can get by alone  
Got my life to lead it's all I know

You've made your bed so just lie in it you've deceived  
I overheard you why was it I couldn't see  
You've played your games and I was fooled  
You didn't care and broke all the rules  
I can see it in your eyes  
Won't fall for your lies

We should say our last goodbyes  
I hope it's worth it  
Your brand new life  
I'm glad I found the proof  
You should have told me the truth
