Woke up late today,  
and I could still feel the sting of pain,  
but I brushed my teeth anyway.  
Got dressed through the mess, and  
put a smile on my face.  
I got a little bit stronger.

Riding in the car to work,  
and I try to soothe all the hurt.  
There's a song on the radio,  
stupid song made me think of you.  
I listened to it for a minute,  
but then I changed it.  
I'm getting a little bit stronger.  
Just a little bit stronger.

And I'm not hoping we can work it out.  
I'm done with how I feel.  
Spinning my wheels,  
letting you drag my heart around.  
And I'm not thinking you could ever change.  
I know my heart will never be the same.  
But I'm telling myself I'll be OK,  
even on my weakest day.  
I get a little bit stronger.

It doesn't happen overnight.  
But you turn around and a months gone by,  
and you realize you haven't cried.  
I'm not giving you an hour, or a second,  
or another minute longer.  
I'm busy getting stronger.

And I'm not hoping we could work it out.  
I'm done with how I feel.  
Spinning my wheels,  
letting you drag my heart around.  
And I'm not thinking you could ever change.  
I know my heart will never be the same.  
But I'm telling myself I'll be OK,  
even on my weakest day.  
I get a little bit stronger.

Just a little bit stronger.

Getting along without you baby.  
Better off without you baby.  
How does it feel without me baby?  
I'm getting stronger without you baby.

And I'm not hoping we could work it out.  
I'm done with how I feel.  
Spinning my wheels,  
letting you drag my heart around.  
And I'm not thinking you could ever change.  
I know my heart will never be the same.  
But I'm telling myself I'll be OK,  
even on my weakest day.  
I get a little bit stronger.  
Get a little bit stronger.  
Just a little bit stronger.  
Little bit, little bit, little bit stronger.  
Get a little bit stronger.
