Hey, you and me
Baby, we're flying on a wing and a prayer
Can't tell you where we're going
I just know that we're gonna get there

Got all that we need
In a cart in a checkout line
Hey, I'll bag while you scan
I bet we beat traffic in time

Top down, now you're singin'
It's such a beautiful day
I don't care what you're thinking
Baby, put your map away

'Cause we can go anywhere
Yeah, we can go anywhere, I don't care
California, Mississippi
All the way to New York City
As long as you're riding shotgun with me
Anywhere, love will get us there

Tell your boss maybe you'll come back
And maybe you won't
Well, in life sometimes people take chances
Most times they don't, oh yeah

Don't wanna sit on the side of the road
While our dreams pass me by
I'm sick of livin' my life in park
I wanna live it in drive

'Cause we can go anywhere
Yeah, we can go anywhere, I don't care
California, Mississippi
All the way to New York City
As long as you're riding shotgun with me
Anywhere, love will get us there

Anywhere
Yeah, we can go anywhere, I don't care
California, Mississippi

All the way to New York City
As long as you're riding shotgun with me
Anywhere, yeah, we can go anywhere
Oh, we can go anywhere, love will get us there, oh, oh,
oh
