CHEATIN

You say your every day
Is a bad dream that keeps repeatin'
Maybe you should've thought about that
When you were cheatin'

How do you like that furnished room
The bed, the chair, the table
The TV pictures comes and goes
Too bad you don't have cable
How do you like that paper plate
And those pork-n-beans you're eatin'
Maybe you should've thought about that
When you were cheatin'

How do you like that beat up car
I think it's fair we traded
Your pick up truck is running fine
It's a cozy ride for datin'
Yes, I've been out a time or two
And found the comfort I've been needin
Maybe you should've thought about that
When you were cheatin'

You made your bed and you're out of mine
You lie awake and I sleep just fine
You've done your sowing, now you can do the reaping
Maybe you should've thought about that
When you were cheatin'

Now what became of what's her name
After she spent all your money
Did she leave you like you left me
Well sometimes life is funny
Yes I'll be glad to take you back
Just as soon as I stop breathin
Maybe you should've thought about that
Maybe you should've thought about that
When you were cheatin'
When you were cheatin'
