If you don't take me to Paris on a Lover's get-away it's
alright, it's alright,
If I'd rather wear your t-shirt than sexy lingerie, it's
alright, it's alright,
Every dinner doesn't have to be candle lit,
It's kinda nice to know that it doesnt have to be perfect

Baby every little piece of the puzzle doesn't always fit
perfectly,
love can be rough around the edges and tattered
down the seams,
Honey if it's good enough for you it's good enough for
me

If your mother doesn't like the way i treat her baby boy
it's alright, it's alright,
If in every wedding picture my daddy looks annoyed
it's alright, it's alright,
Don't you know that all the fairy tales tell lie
real love in real life

Doesn't have to be perfect,
Baby every little piece of the puzzle doesn't always fit
perfectly,
love can be rough around the edges and tattered
down the seams,
Honey if it's good enough for you it's good enough for
me

Oh you don't mind if I show up late for everything,
When you lose your cool,
It's kinda cute to me,
Ain't it nice to know that we don't have to be perfect,

Baby every little piece of the puzzle doesn't always fit
perfectly,
love can be rough around the edges and tattered
down the seams,
Honey if it's good enough for you it's good enough for
me

Oh your good enough for me,
Yeah your good enough for me,
Oh your good enough for me
