What's this, your kiss  
Is as cold as fallen snow  
And your eyes cannot disguise  
That there's a secret in your soul

Well, did you think that I  
Was born yesterday  
Well, I may be blind  
But I can hear what you won't say

And I feel it comin'  
I feel it comin' on  
I feel it comin' on

And this love is dead and gone  
And I know it won't be long  
'Cause I feel it comin' on

A cold spell in hell  
That's when I take you back  
If you have been untrue  
There's nothing left to do but pack your bags

And sleep in the bed that you made  
Well, you'll wake up cryin'  
Callin' out my name, my name

I feel it comin'  
I feel it comin' on  
I feel it comin' on

And this love is dead and gone  
And I know it won't be long  
'Cause I feel it comin' on

Comin' on like the morning sun  
Like the summer rain, like the river runs  
Like the ocean waves, like the stormy sea  
Like the flood of tears, wash over me

And I feel it comin'  
I feel it comin' on

I feel it comin' on

And this love is dead and gone  
And I know it won't be long  
'Cause I feel it comin' on

Yes, I feel it comin' on  
[Incomprehensible] I feel it come comin' on
