Lying here with you
Listening to the rain
Smiling just to see
Smile upon your face

These are the moments
I thank God that I'm alive
These are the moments
I'll remember all my life
I've found all I've waited for
And I could not ask for more

Looking in your eyes
Seeing all I need
Everything you are
Is everything to me

These are the moments
I know heaven must exist
These are the moments
I know all I need is this
I've found all I've waited for, yeah
And I could not ask for more

I could not ask for more
Than this time together
Could not ask for more
Than this time with you

And every prayer has been answered
Every dream I had has come true
Yeah, right here in this moment
Is where I'm meant to be
Here with you, here with me, yeah, yeah

These are the moments
I thank God that I'm alive
These are the moments
I'll remember all my life
I've found all I've waited for, yeah
And I could not ask for more

I could not ask for more
Than this time together
Could not ask for more
Than this time with you

Every prayer has been answered
Every dream I had has come true
Yeah, right here in this moment
Is where I'm meant to be
Oh, here with you, here with me

No, I could not ask for more
Than this love you give me
'Cause it's all I've waited for
And I could not ask for more

No, oh
Yeah, yeah
No, I could not ask for more
Yeah
