Today I sat alone at the window  
And I watched our little girl outside at play  
With the little boy next door like so many times before  
But something didn't seem quite right today

So I went outside to see what they were doing  
And then the teardrops made my eyes grow dim  
'Cause I heard him name a game and I hung my head  
in shame  
When I heard our little girl say to him

I don't want to play house, I know it can't be fun  
I've watched mommy and daddy  
And if that's the way it's done

I don't want to play house, it makes my mommy cry  
'Cause when she played house  
My daddy said goodbye

I don't want to play house, I know it can't be fun  
I've watched mommy and daddy  
And if that's the way it's done

I don't want to play house, it makes my mommy cry  
'Cause when she played house  
My daddy said goodbye
