Like your dreams were meant to fly
Like a bird up in the sky
Just like heaven somewhere up above clouds
I was made to raise my voice lift my hands up and
rejoice
Just like jesus they couldn't keep him down

Low

Like the way your mama felt
The very first time you were held
The way your daddy still looks at your mama now
Ain't that the way that love should be
Gets you high makes you believe
There's nothing in this world can get us down

Low

I'm gonna roll this stone away
Live my life my way
And stand up on my faith
Just like the sun rises everyday
The tide is gonna change
You can't keep me low

Now When my worries seem too big
I'm gonna dance like david did
Cause hallelujah i am glory bound
No i won't be afraid
When trouble gets in my face
I'll turn my back and stomp that devil down
Low

Oh I'm gonna roll this stone away
Live my life my way
And stand up on my faith
Just like the sun rises everyday
The tide is gonna change
You can't keep me low

I won't let my dreams get buried
Even when i'm feeling down

I won't linger in the darkness
I'll be walking out

I'm gonna roll this stone away
Let the light shine on my face
stand up on my faith
Just like the sun rises everyday
The tide is gonna change

Oh I'm gonna roll this stone away
Live my life my way
And stand up on my faith
Just like the sun rises everyday
The tide is gonna change
You can't keep me low

No you can't keep me low
