?Well, you never buy me flowers
Hey, did you hear what I said?
I'll be dancing barefoot while you put the kids to bed"

Now, take a good look darlin'
At the smile on my face
It's been a long hard week and I'm ready to play

Well take a big whiff, honey
Of my sweet perfume
'Cause it's the only thing left of me in this room

I'm alright now
(Got a little money and the gas tanks full)
Yeah, I'm alright now
(Me and the girls in the Coupe DeVille)
Yeah, I'm alright
Well, daddy's doin' dishes 'cause it's momma's night
out

Well, you can be a couch potato
Drinkin' beer and eatin' chips
While I put a little Wet-N-Wild on my lips

So take a picture of me, honey
Because I look so fine
You got yours and I got mine

I'm alright now
(Got a little money and the gas tanks full)
Yeah, I'm alright now
(Me and the girls in the Coupe DeVille)
Yeah, I'm alright
Well, daddy's doin' dishes 'cause it's momma's night
out, yeah

Oh, yeah, yeah, yeah

Well, I'm alright now
(Got a little money and the gas tanks full)
Honey, I'm alright now
(Me and the girls in the Coupe DeVille)

Well, I'm alright
Well, daddy's doin' dishes 'cause it's momma's night
out

Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah
Yeah, yeah, yeah, yeah, hey
