I don't want you to come 'round here no more  
I beg you for mercy  
You don't know how strong my weakness is  
Or how much it hurts me

'Cause when you say it's over with her  
I want to believe it's true  
So I let you in knowing tomorrow  
I'm gonna wake up missing you  
Wake up missing you

When the one you love's in love  
With someone else  
Don't you know it's torture  
I mean it's a living hell

No matter how I try to convince myself  
This time I won't lose control  
One look in your blue eyes and suddenly  
My heart can't tell you no

I don't want you to call me up no more  
Saying you need me  
You're crazy if you think just half your love  
Could ever please me

But still I want to hold you, touch you  
When you look at me that way  
There's only one solution I know of  
You've got to stay away from me  
Stay away from me

When the one you love's in love  
With someone else  
Don't you know it's torture  
I mean it's a living hell

No matter how I try to convince myself  
This time I won't lose control  
One look in your sad eyes and suddenly  
My heart can't tell you no, my heart can't tell you no

I don't want you to come 'round here no more  
I beg you for mercy

When the one you love's in love  
With someone else  
Don't you know it's torture  
I mean it's a living hell

When the one you love's in love  
With someone else  
Don't you know it's torture  
I mean it's a living hell, living hell

When the one you love's in love  
With someone else  
Oh, don't you know it's torture  
I mean it's a living hell
