(Sara Evans/Brad Paisley)
(Duet with Brad Paisley)

Mother - do not cry for me
All of this is exactly how it's supposed to be
I'm right here. Can you hear my voice?
My life, my love, my Lord....my baby boy

As they nail me to this tree
Just know my Father waits for me
God how can this be your will?
To have your son and my son killed?

Whatever happens...whatever you see...
Whatever your eyes tell you has become of me
This is not...
Not the end...
I am making all things new again

I remember when you were born
In that manger where I first held
You in my arms
So many miracles and lives you've changed
And this world repays you how?
With all this pain
