Well I was raised  
Taught to always help your fellow man  
Well that's who I am  
And I believe if it's a pack of lies  
Gotta take a stand  
Cause that's who I am

And I love the outlaws Willie and Waylon  
And I'm always down for some hell raisin  
And I don't care what people say  
I'll just keep on livin my own way  
And I am proud to be one of the free an American  
Cause that's who I am

Well I'm home-grown, white trash  
Full of love, but short on cash  
When I play, you know I play to win  
And I'm a little wild, ain't afraid to fight  
Drink my beer on Friday night  
Then on Saturday, I do it again  
That's who I am  
And I'm comfortable in this skin  
Yeah

I like the sun, hangin out with the ladies  
Workin on a tan  
Yeah that's who I am  
And I watch the game  
Smoke a little barbecue  
Yeah I'm a fan  
Yeah that's who I am

And I love the lake, and some country land  
And a good old loud Southern band  
And I always try to be nice and kind  
But I ain't afraid to speak my mind  
I'm always there  
If my family or friends might need a hand  
Cause that's who I am

Well I'm home-grown, white trash

Full of love, but short on cash  
When I play, you know I play to win  
And I'm a little wild, ain't afraid to fight  
Drink my beer on Friday night  
Then on Saturday, I do it again  
Yeah that's who I am  
And I'm comfortable in this skin  
Yeah

And don't you know,  
I love to hear a crowd  
Sing along with the band  
So here we go  
Can I get an amen  
Amen  
That's who I am  
That's who I am  
Let's do it again  
Can I get an amen  
Amen  
That's who I am  
That's who I am  
Yeah

Well I'm down home, southern fried  
And I'm just happy to be alive  
And I think wasting time is a sin  
And I love to fish and I love to race  
Carry my koozie just in case  
Cause you never know when a party might begin.

Well I'm home-grown, white trash  
Full of love, but short on cash  
When I play, you know I play to win  
And I'm a little wild, ain't afraid to fight  
Drink my beer on Friday night  
Then on Saturday, I do it again  
Yeah that's who I am  
And I'm comfortable in this skin

Yeah that's who I am  
And I'm comfortable in this skin  
Yeah

Come on
