Swear to God, I'll catch ya if you fall,
And in my arms, we could have it all,
I feel alive, every time I'm near you, well do you feel
the same,
As the wind blows through,
Carrying the dust, of a dream, that I hope you dream
with me,
I'm feeling like a ghost, of a man, can you see,
understand,

If you need a place to fall, then fall right into me,
If you finally see the light, and realize that you need,
you need, you need me,
If you need a place to fall, then fall right into me, I
promise you I'll catch you,
If you fall,
So fall for me.

I know you have, a million thoughts inside your mind,
And soon it will be clear, well it just takes time,
I am waiting here, for you, and nothing less will do,
You've gotten in my heart, my soul, open arms, don't
you know,

If you need a place to fall, then fall right into me,
If you finally see the light, and realize that you need,
you need, you need me,
If you need a place to fall, then fall right into me, I
promise you I'll catch you,
If you fall,
So fall for me.

I will be your home, your love, your all,
A safe place to fall, if you would see, try me, don't you
know,
That lately I've been feeling like a ghost, of a man, can
you see, understand,

If you need a place to fall, then fall right into me,
If you finally see the light, and realize that you need,
you need, you need me,

If you need a place to fall, then fall right into me, I
promise you I'll catch you,
If you fall,
So fall for me.
