This heat's about to get to me,
It's been fifty six days over a hundred degrees,
And it's kinda got into my head,
My attitude is barely a little on the edge!
Hey girl what ya say we get out of here,
I'm talking about a river and a cooler, a beer,
And I don't think we need nothing else,
Just you bring your good looking self!

[Chorus]

I'm gonna float through this hot day on a cool river,
I'm gonna keep a drink in my hand 'til I can't remember
What it was that I couldn't get off my mind.
Well, here we are, welcome to the good times!

Last one in's got a bar to tend
So grab me another one I'm ready again,
Girl, that bikini, sure looks nice,
I really like the way it brings out your eyes
Float over here, and give me a kiss,
Life don't get no better than this,
Sorry for being stressed the last few days,
Thank God this water just takes it away!

[Chorus]

I'm gonna float through this hot day on a cool river,
I'm gonna keep a drink in my hand 'til I can't remember
What it was that I couldn't get off my mind.
I'm gonna go with the flow wherever it takes me,
I gotta drift away now and again, gotta get free,
Like the clouds in the sky, with a pretty girl I call mine!
Well, here we are, welcome to the good time!

I ain't ever gonna leave,
Gonna sit right here, in the shade of the cypress trees.
Crack it up loud I love that song,
Got the whole damn river singing along,
And I wonder if we kept floatin' could we go,
All the way to the Gulf of Mexico!

[Chorus]

I'm gonna float through this hot day on a cool river,
I'm gonna keep a drink in my hand 'til I can't remember
What it was that I couldn't get off my mind.
I'm gonna go with the flow wherever it takes me,
I gotta drift away now and again, gotta get free,
Like the clouds in the sky, with a pretty girl I call mine!
Well, here we are, welcome to the good time!
