I rock me, from the bay on mexiko, I row me, to the
shore the montego bay
turn make a lady, peace her will stay, here in the worm
bright arms
till I milkey way.
Be my day, I'm be my life. If I drifter way, I'm be my life
Shine on, let the you light shine on, now I will sail on
home.
Shine on, let the you light shine on, now I will sail on
home
La la la ,....now sing yeah yeah yeah yeah yeah, and I
will sail on home.
La la la ,....now sing yeah yeah yeah yeah yeah, and I
will sail on home.
Be my day, I'm be my life. If I drifter way, I'm be my life
Shine on, let the you light shine on, now I will sail on
home.
Shine on, let the you light shine on, now I will sail on
home
La la la ,....now sing yeah yeah yeah yeah yeah, and I
will sail on home.

I beg your pardon,
I never promises you a rose garden, A long with the
suneshine
there's got to be a little rain sometime,
when you take you got to give so live and let live or let
go
I beg your pardon
I never promises you a rose garden.
I could promiese you things like big diamond rings but
you don't find roses growin on stalk of clover
so you better think it over
When sit's sweet talking you could make it come true I
would give you the world
right on a silvers plater, but what would it matter
So smile for a while and lets be jolly, love should'nt so
melancholy
