[Intro]

AyiAyiAyiYa  
AyiAyi AyiYa (AyiAyi AyiYa)  
AyiAyi AyiYa (AyiAyi AyiYa)  
AyiAyi AyiYa (AyiAyi AyiYa)  
AyiAyi AyiYa (STOP! )

You play me like a flipper  
Up and down and  
Left and right  
Like a ball

I want  
You to be my stripper  
And take off all your clothes  
In the dark

[Bridge]

Love is just a game  
And to move  
In the shade  
With me  
You can't avoid  
All the secrets  
You hold onto  
Lock away  
All those ties  
In your mind  
Don't leave me  
In this dreamers  
Kind of situation

[Chorus]

Stop  
Your self control  
Just turn me off  
Just burn me out  
I'm gonna tickle you  
So baby stop  
Your self control  
I'm gonna set you free tonight

[Repeat Chorus]

You ride me  
Like a cowgirl  
Up and down and  
Left and right  
Like a bull

I want you  
To be my body  
A pair of those  
Big ears  
And your head

[Repeat Bridge]  
[Repeat Chorus]  
[Repeat Intro]  
[Repeat Chorus]  
[Repeat Chorus]

AyiAyiAyiYa  
AyiAyiAyiYa  
AyiAyiAyiYa  
AyiAyiAyiYa  
Stop! Your self control!
