Oh yeah [x4]

It's been a long road but we're finally here
And the view from the top so beautifully clear
We can see for forever not a cloud in the sky
Picture perfect weather everyday of our lives

Just imagine if everything you wanted came true
Well it happened to me so it can happen to you
We're on a journey of truth and belief is the key
So open up your heart and let your life free

Oh
And I feel like I'm glowing
And I like where I'm going
Tonight, I'm showing up to shine

This little light of mine (OK, OK, OK)
I'm gonna let it shine (Alright, alright, alright)
This little light of mine (OK, OK, OK)
I'm gonna let it shine (Alright, alright, alright)
This little light of mine (OK, alright, OK)
I'm gonna let it shine
Let it shine, let it shine, let it shine

Front to back we're packing, stomping
Clapping, laughing, singing, dancing
Passion ever lasting
When I'm rapping to the track and
Everyone to put your hands up
Stand up
Roxanne come take my hand
And make the congregation rock

Celebrating and it feels so good
If I could thank everybody here I would
I feel like I'm finally free and I
Yeah I'm ready, I'm ready, I'm ready to fly

Yeah, oh
And I feel like I'm glowing

And I like where I'm going
Tonight, I'm showing up to shine

This little light of mine (OK, OK, OK)
I'm gonna let it shine (Alright, alright, alright)
This little light of mine (OK, OK, OK)
I'm gonna let it shine (Alright, alright, alright)
This little light of mine (OK, alright, OK)
I'm gonna let it shine
Let it shine, let it shine, let it shine

You know it wants to come out
Don't hide your shine, y'all
Now put your hands to in sky
'Cause your light is your love

Oh yeah [x4]

This little light of mine (This little light of mine)
I'm gonna let it shine (I'm gonna let it shine)
This little light of mine (Yeah)
I'm gonna let it shine (I'm gonna let it shine)
This little light of mine (This little light of mine)
I'm gonna let it shine
Let it shine, let it shine
Let it shine, let it shine
Let it shine, let it shine, shine
