We come with beautiful secrets  
We come with purposes written on our hearts, written  
on our souls  
We come to every new morning  
With possibilities only we can hold, that only we can  
hold

Redemption comes in strange places, small spaces  
Calling out the best of who we are

And I want to add to the beauty  
To tell a better story  
Shine with the light  
That's burning up inside

It comes in small inspirations  
It brings redemption to life and work, to our lives and  
our work  
It comes in loving community  
It comes in helping a soul find it's worth, a soul find it's  
worth

Redemption comes in strange places, small spaces  
Calling out the best of who we are

And I want to add to the beauty  
To tell a better story  
Shine with the light  
That's burning up inside

And this is grace, an invitation to be beautiful  
And this is grace, an invitation

Redemption comes in strange places, small spaces  
Calling out our best

And I want to add to the beauty  
And I want to shine with the light  
That's burning up inside

Add to the beauty  
I want to tell a better story

Shine with the light  
That's burning up inside
