Speak to me, speak to me in my cave of Adullam.
Reach to me, reach to me.
No one cares for my soul.
I thought I saw your kingdom,
but it's not going to happen like I thought it would
happen.
Remind me, remind me of the vision you gave me.
Remind me, remind me what anointing oil is for.
I need to know you're near me.
I need to know you are holding me just as closely

Chorus: as the day you took my life and gave me a
vision,
as the day you poured the oil and gave me a dream.
I can't believe this is happening.
How does a shepherd become a king?
