Paul and Silas bound in jail
Got no money for to go their bail
Keep your eyes on the prize, hold on

Paul and Silas thought they were lost
The dungeon shook and the chains fell off
Keep your eyes on the prize, hold on

Freedom's name is mighty sweet
And one day soon we are gonna meet
Keep your eyes on the prize, hold on

I got my hand on the gospel plow
Won't take nothing for my journey now
Keep your eyes on the prize, hold on

The wait is slow, and we've so far to go
Keep your eyes on the prize, hold on

The wait is slow, and we've so far to go
Keep your eyes on the prize, hold on

Only chain a man can stand
Is that chain of hand on hand
Keep your eyes on the prize, hold on

Ain't no man on earth control
The weight of glory on a human soul.
Keep your eyes on the prize, hold on.

The wait is slow, and we've so far to go
Keep your eyes on the prize, hold on

The wait is slow, and we've so far to go
Keep your eyes on the prize [x3]

When you see a man walk free,
It makes you dream of jubilee.

When you see a child walk free,
It makes you dream of jubilee.

When you see a family free,
It makes you dream of jubilee.

Keep your eyes on the prize, hold on.
