When the night comes  
polar bear cubs sleep in  
their caves calves on the farm sleep in the barn  
warm in the hay nothing in this world is quite  
as sweet as a tiny baby fast asleep  
I could watch you to the end of time  
especially when that baby is mine  
kittens and pups eyes all closed up  
snuggle near mom  
robin's and wren's chicks have been fed  
sleep until dawn  
nothing in this world is quite as sweet  
as a tiny baby fast asleep  
I could watch you to the end of time  
especially when that baby is mine
